IT'S ALL ABOUT THE PHO!

Our story begins with the quest for the perfect bowl of Pho, Vietnam's most favorite and world-renowned beef rice noodle soup. This quest has brought us to Vietnam, Hong Kong, USA, UK, France and back to good old Holland. Although the Pho was very good outside of Holland, we believe that, after many try-outs, we had found the ultimate Pho recipe: Tasty, delicious, rich beef flavors with an aromatic perfume of dry herbs and soothing to the soul!

This quest has resulted into a great journey into good Vietnamese cuisine, which we have been doing since 2011. So it's not about the destination, but it's all about the Pho!
